KCA holds an annual community clean-up day - what a great cost saving for each community resident. A trip to the dump would cost approx. \$40.00 a load, we have no load restrictions, so bring it all down to the Community Hall - organics and garbage. A great time to clean up your garage, backyard and behind the back yard (as well as your neighbours junk!). We also offer options to donate your gently used goods and recycle your old electronics. The clean-up day includes a free store and plant swap for residents to pick up some used household items and exchange plants.

KCA Kingsland Community Plan continues to be a living document which is reviewed and updated, which describes the present state of our community and where we want to be in the future.

KCA Planning Committee meets every month to review proposed development plans, as major developers are very interested in Kingsland and there is a demand in our community to build and develop. The Planning Committee is always very busy an ombudsman for Kingsland monitoring City applications and presenting residents through the approval process. The committee reviews the submissions to confirm that the applications adhere to the Kingsland Community Plan and our vision for the community. Kingsland already has a density of 61% as opposed to City average of 31%.

Revitalization of parks in Kingsland - 2014 - Singh Hari Park at 80th Ave was totally rebuilt with many resident volunteers who came out to help. It is enjoyed by numerous kids. Other park(s) are scheduled to be upgraded in the near future.
