

A Big 'Thank you' to all the Volunteers that made the Kingsland Clean-Up Day such a success!

We had twelve people who volunteered as drivers & helpers with trucks hauling from alleyways, managing traffic in the Parking Lot, the 'Free Store', cleaning parks, etc. There were also many others who hauled their own 'stuff'.

We removed from our Community:

- 13,180 kg of garbage hauled to landfill by City trucks.
- 870 kg of Organics hauled to composting by City trucks.
- 2,736 kg of metal recycled through Evras Metals.
- 465 kg of electronics recycled through TechnoTrash.
- Canadian Diabetes Truck was on site throughout the day and collected many good items.
- The Women-In-Need Truck collected many pieces of furniture and other household items that were complete.
- And...just about everyone went away with some 'goodies' from the 'free store' (One man's garbage is another's treasure).

So a big 'thank you' to all. And a special thanks to the new volunteers that joined in. Hope to see you all next year. Please call Jen (403) 255-1400 if you are interested in helping next year.

Calgary

On behalf of Calgary Community Standards & Waste and Recycling Services

Thank you Kingsland

Congratulations on a successful **Community Cleanup** on June 22, 2019.

The weights collected for this year:

Garbage: 13,180 kg

Organics: 870 kg

Total: 14,050 kg

Truck Loads Hauled: 3

Thank you to the Community Association and residents for your commitment to keep our communities healthy, safe and vibrant.
